Day 1 Lusaka

Arrival Lusaka, transfer to our camp, situated in a nice animalpark in the outskirts of the town.

Day 2 To Lower Zambezi N.P. At Chirundu we meet the lower Zambezi and turn down river before we the Zimbabwe border. On the way to the Lower Zambezi NP we cross the Kafue river on a exciting ferry. . We camp on the banks of the majestic Zambezi river, up to 3km wide and slowly finding its way through sandbanks and islands. The fauna is rich and on several gamedrives we will trace the animals.

Day 3 Lower Zambezi N.P.
Gamedrives in the Lower Zambezi NP

Day 4 To Luangwa River Bridge

Today we break camp very early and drive to the escarpment of the Zambezi. Through endless serpentines up and down we reach the top of the escarpment and the main road to the east. We reach the Luangwa river bridge, where we stay overnight in beautifully situated cabins above the Luangwa river.

Day 5 Luangwa River Bridge

Today adventures guests have the opportunity to canoe the Luangwa river, crocodiles and hippos ensure that the trip is exciting. An experienced guide accompanies us.

Day 6 South Luangwa N.P.

Today we proceed on the graet east road to Petauke. Here we turn into the bush and before long we reach the Luangwa river again. Along its bank we approach South Luangwa NP. This is Zambias most famous NP and has been well documented in several books and films. On several gamedrives we will observe the animals, which are abundant. Again ther is the possibility of a night drive in open 4wheel drive vehicles, surely worthwhile to track down predators and other notorious animals.

Day 7 South Luangwa Valley
